IF you used Canva for your poster, please email me at grandolph@ridgway.k12.co.us if done early!!!

Email me or have your parent/guardian email me when you are done and ready for printing **by Friday January 30, 2025** . You could also message me inside your Canva Poster message bubble. I will get that as an email notification. We will print it poster- sized! It will be ready for you with clips at the fair for you to mount it on a cardboard display board PROVIDED at the fair this year.

We can't wait to see all you have accomplished!
